## Memorandum of Understanding (MOU)

Between

**Rashmi Joshi**

**Environment Consultant**

**4/B, 141, Yoganand Society, Vazira Naka, Borivali(west), Mumbai-400092**

And

**NCRD's Sterling Institute of Management Studies, Nerul, Navi Mumbai  
For "Environment Projects".**

This MOU has been made for the period of one year from the 3rd December 2018 to 2nd December 2021 between NCRD's Sterling Institute of Management Studies, Nerul.

(Herein after referred to as NCRD's Sterling institute of Management Studies).  
And

Rashmi Joshi, Environment Consultant, Mumbai,

### Roles and Responsibilities of Ms.Rashmi Joshi:

1. Conduct awareness sessions amongst youth and students about the use of waste as well as water as resource and its relationship with climate change and global warming.  
{Promote knowledge and provide training for segregation at source and composting among students, faculty and non-teaching staff.}
2. Encourage and promote environment related activities such as Composting, E-waste Collection, Seedball and Rainwater Harvesting..
3. Sensitize and involve students from the college / institute for promoting the concept of the environment related projects.
4. I will conduct periodic supervision of once in a week in the first month & then once in a fortnight for a period of three months from the initiation of composting project.
5. I will develop along with zero waste, a medicinal/ herbal garden in your campus.

- 6 I will involve student volunteers for internship for its Project.
- 7 I will issue Internship Certificates for the same.

### Roles and Responsibilities of College

1. The college will make arrangements for the awareness lectures.
2. The students & staff will actively participate in the recycling of the waste as well as water.
3. Environment projects are a part of college environmental activity and hence it will be monitored on a regular basis by students and faculty members. I expect the college to continue the projects for at least for one year.
4. The college will nominate a contact person to whom the activity report will be submitted in the second week of every month.
5. The college will maintain the garden and use the compost in the garden.
6. College will identify a suitable space for the installation of compost pit & college will bear the cost of installation of the same & will maintain the project.
7. College will select minimum 10 Student volunteers for participation in the project for internship.
